

RoHS REACH Regulation Compliance Statement

Statement Issue Date: 11th May 2017

RoHS Regulation Directive 2002/95/EC

Products covered: All products supplied by Connexion Developments Ltd are RohS compliant unless the product is specifically stated otherwise. This is a general statement – please contact Connexion Developments Ltd if you require a product specific (by part number) declaration.

Directive 2002/95/EC of the European Parliament and the Council of 27 January 2003 on the restriction of use of certain hazardous substances in electrical and electronic equipment, the RoHS directive.

Connexion Developments Ltd has received certification and confirmation statements from all manufacturers and suppliers that there is no mercury, hexavalent chrome, polybrominated biphenyls (PBBs), polybrominated diphenyl ethers (PBDEs), lead in excess of 100 ppm, or cadmium in excess of 5 ppm are added to, or known to be present in any product supplied.

REACH

Regulation (EC) 1907/2006

Products Covered: All products supplied by Connexion Developments Ltd are REACH compliant unless the product is specifically stated otherwise. This is a general statement – please contact Connexion Developments Ltd if you require a product specific (by part number) declaration.

REACH (Registration, Evaluation, Authorisation and Restriction of Chemicals, EC 1907/2006) is the European Unions (EU) chemical substances regulatory framework. REACH requires Connexion Developments Ltd to provide customers with sufficient information on substances of Very High Concern (SVHC) contained in all products in concentration above 0.1% weight by weight (w/w) to allow safe use of the product.

To comply with this requirement, Connexion Developments Ltd certifies that to the best of its knowledge all products supplied do not contain substances listed on the Candidate List of substances of Very High Concern, as updated on 12th January 2017, in a concentration above 0.1% weight by weight.

Validation Method.

Connexion Developments Ltd gathers declaration statements and letters from all manufacturers and suppliers to validate that all products supplied conform to various regulatory requirements including REACH and RoHS.
